Referrals

Step 1: Referral Link

Our new system allows a non-member to join Quatro in a much easier way. Your Sponsor will send you a referral e-mail, in this e-mail you will be given a link which when selected will re-direct you to the Quatro Worldwide registration page.

Through the link provided, the new system checks the Quatro Worldwide database to verify that the Sponsors ID and e-mail are both valid and associated with each other. So you only need to enter your own details and make a payment to complete the membership process.

Please Note: under no circumstances must you pass this link onto another person. Only the Sponsor can send out referral links to individual people and these links can only be used once.
